DEDICATION

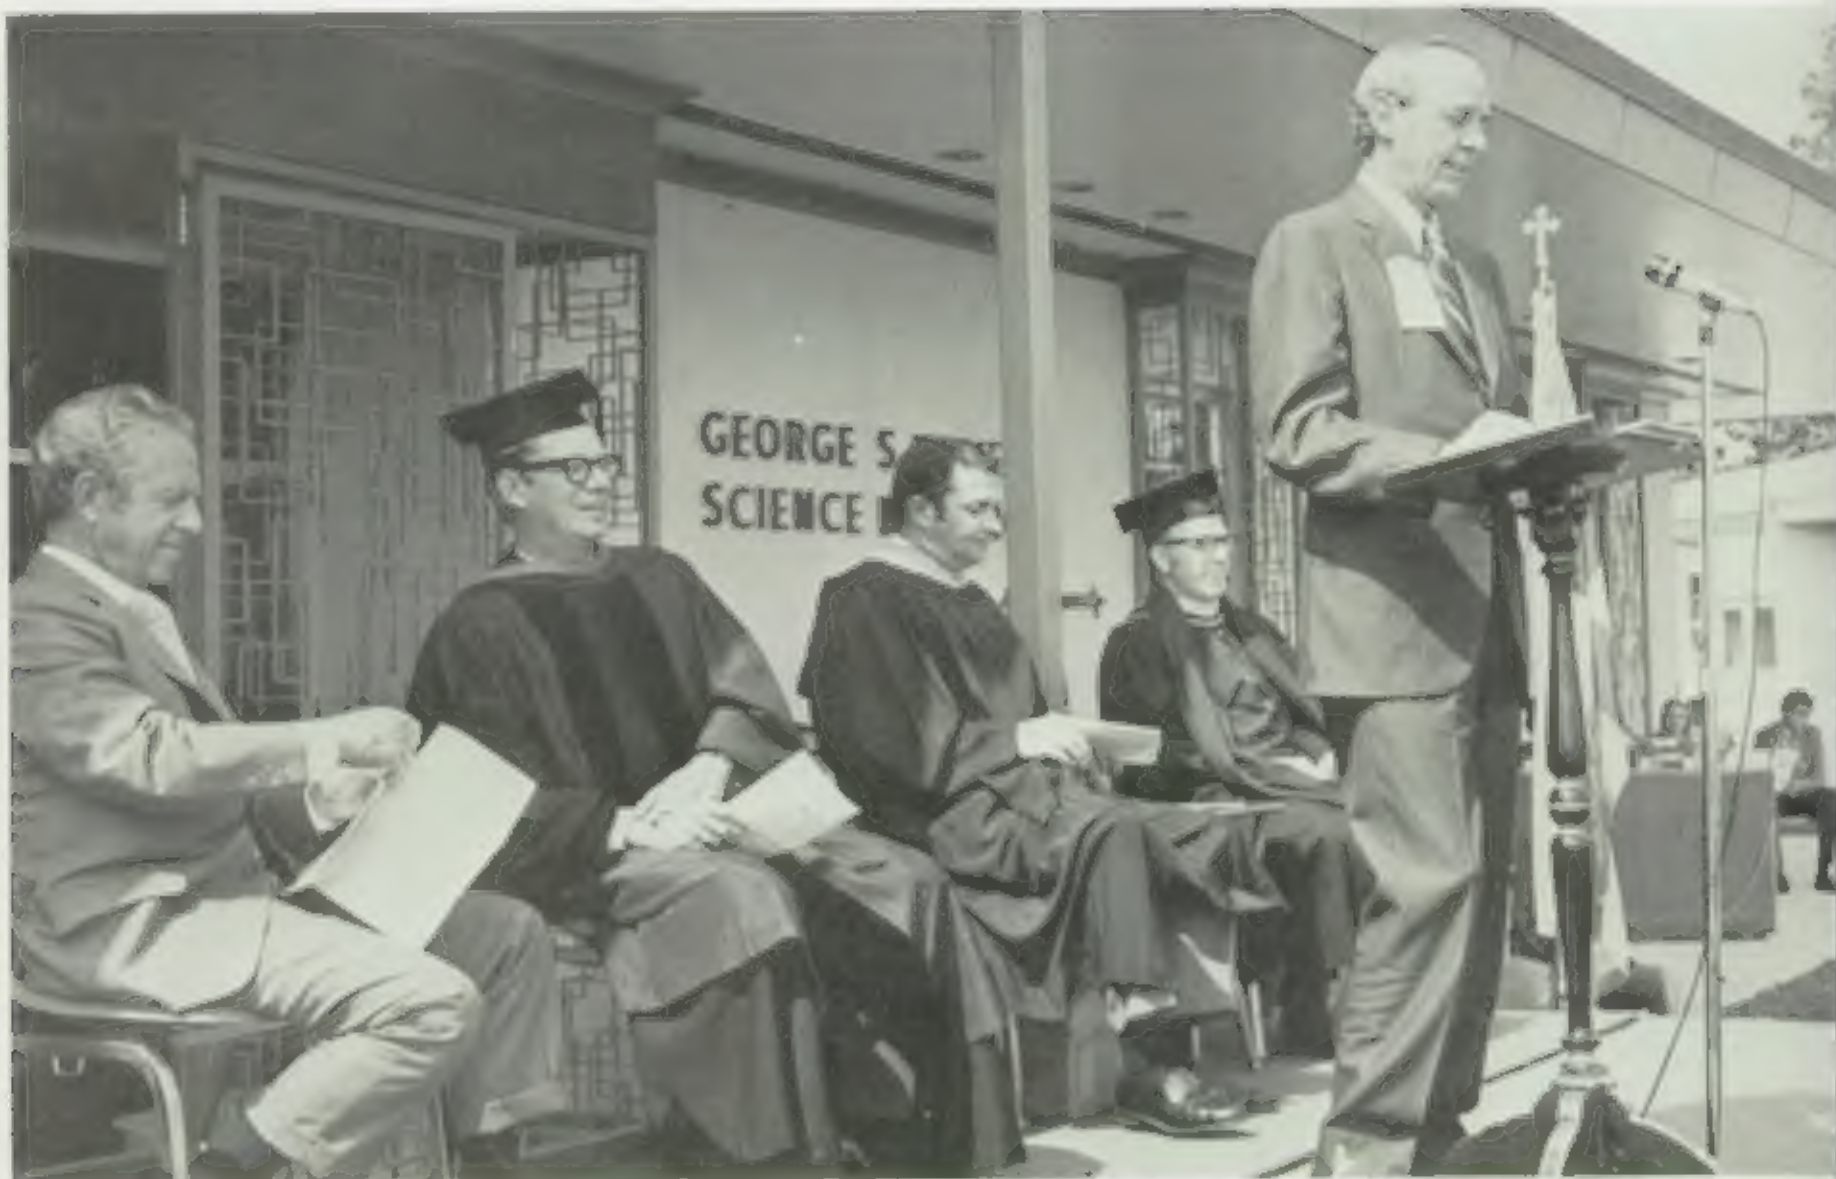

Trinity has experienced many new developments this year which have contributed immeasurably to the social as well as academic standing of the school. Being now accredited, it has achieved a status worthy of great respect. We are very fortunate in having an outstanding faculty and competent staff. The 1971-72 CHI-RHO staff wishes to pay special tribute to two remarkable men whose careful guidance and dedicated efforts have instilled in all of us an overwhelming sense of pride. Dean Campbell and Coach Fox, each in their respective positions, have indeed succeeded in expanding the activities of the students and involving them in a wide variety of projects. In an attempt to express our sincere appreciation for all that they have achieved we are proud to dedicate this edition of the CHI-RHO to Dean Campbell and Coach Fox.

Yes, Virginia, the Saints are for real. The 1971 Trinity football team came within one victory of winning the State Championship. Only three years old, the team had its first winning season: 10 wins, 2 losses. The Saints outclassed most of their opponents. Lawrence Cleveland scored three long touchdowns in the Jacksonville Episcopal game which resulted in a victory for the Saints, 20-18. In a crucial game against Berkley Prep, two touchdown passes from Dale Parsons to Mark Hanna in the second half won the game. The final game, a 63-0 triumph over Florida Air, clinched the district championship. In the state tourney, we won our first game 40-9 with Hanna and Cleveland scoring 20 points each. Next in the championship game we met undefeated Hastings, who remained undefeated. It was a tough game but we played exceptionally well, scoring one touchdown, Parsons to Hanna, leaving the score at 34-7. In the end, Cleveland, Hanna, Doster, and Kiddy were first team All-State, and Dale Parsons was second team All-State. The coaches and the school have much to be proud of.

Seniors John Adair and John Moore, along with Juniors Sam Snow, Steve Miller and Second former Thad McNulty, proved to be the Iron Five in Trinity's Cross Country team this year. The district meet provided great disappointment for the team as it lost by a single point thus missing going to the State Meet as a team. John Adair and Thad McNulty continued to the State meet to run respectable places among Florida's top runners. Help from other runners came from Jim Snook, Jerry Moore, Alan and David Adair. We hope for continued success next year for returning lettermen and future runners.

Trinity's soccer team shocked the league this year by winning their division and almost defeating Winter Park for the championship. Led by forward Mark Hanna, who scored 16 goals, fullback Spike Stevens, and goaltender Winston DuBose, the Saints were tied with Howey at the end of regular season play. In the play-off game, Trinity won on Nick Whiting's goal in the ninth overtime. In the championship game, it took the much larger Winter Park High 10 overtimes to defeat the Saints.

It is rough enough to play basketball for the first year, but when you don't have a gymnasium to practice in either that's two strikes against you. But the basketball team was able to offset these problems with spirit, hustle, and talent. Center Red Austin was the team's leading scorer, fighting for most of his points in close. Forwards Bobby Ficquette, Dale Parsons, and Doug Dyson helped Red against the much taller teams and also helped score from the outside. Guards Jerry Fadem and Lawrence Cleveland held the team together with their ball handling abilities and leadership. When the season was over we had won 13 and lost nine. This was against teams that had been playing for years. Coach Austin and the basketball team have much to be proud of and much to look forward to.
